**Are you willing to accept a non-Baptist evangelical student?** Yes

### **Type of Work:**

*(For example, children's ministry, youth ministry, VBS, community outreach/church planting, music, etc.)* College ministry at our local university. Service projects helping our local partner churches. Campus and community outreach focused on young adults in Anchorage.

**What type of student is needed? What special skills, majors, abilities, gifts, attitudes, or maturity level would be helpful or required? If required, please indicate.**

We are looking for individuals to help us as we seek to build a disciple making movement on the campus at the University of Alaska Anchorage. Students in this area tend to be active, enjoy outdoor activities and are largely unchurched. Many of the students we come in contact with are willing to have spiritual conversations though they do not have much of an understanding of christianity.

We are looking for individuals who are motivated and willing to form relationships, take initiative and have had experience with outreach programs (monthly lunches, kick off events, social

activities, etc.), able to articulate the gospel, willing to learn how to make disciples and lead small groups. We will spend lots of time outdoors and in coffee shops meeting students and young adults where they are during the summertime.

**Give additional details and description of your work, the anticipated work of student volunteers, location and culture if not included above. If possible, give an idea of a weekly schedule.**

The nature of this project will require individuals to be physically active and relational. Summer Interns need to be willing to adapt and willing to learn new skills.

2-3 times a week students will go out in the community to interact with young adults. Every Wednesday evenings will be our summer Mosaic gathering with our local students.

\*Schedule is subject to change.

**What is your plan for discipleship/mentoring of student missionaries?**

The goal of this project is to train disciples how to make disciples. Mosaic staff will walk alongside our summer interns answering questions, have life giving conversations, and ultimately help push summer interns closer to Jesus.

Mosaic Staff will teach summer interns the skills they need to accomplish the tasks in front of them.

**How will housing and meals be accommodated?**

Yes

**What is your Airport for arrival/departure?**

Ted Stevens International Airport (Anchorage, AK)

**Is there a preferred time for arrival/departure? If so, please specify.**

They must arrive and depart on the dates listed above.

**What are your local transportation arrangements for the summer?**

Mosaic owns a 15 passenger van that summer interns will have access to drive (If 21 years or older).

**What is the recommended amount of spending money (souvenirs, sightseeing, "extra" food/meals out that are not considered "basic," for each student for the summer?**

\$300-\$400 The average cost of a meal (at a restaurant) per person in Alaska is \$15.

**Will you be providing any safety or security training for the students? If so, please describe.**

When they arrive in Anchorage we will have a safety briefing describing how to handle interactions with local wildlife and other Alaska specific safety precautions.

**If there are other details not covered above related to this assignment, please indicate those below. If your ministry is unable to provide housing, basic meals, and local transportation for students during their time on the field, please itemize the anticipated expenses for each student for the time period specified.**
